The Manamaker Store Black Dress Goods

ME picked the strongest, truest light in this very light store to sell black goods under. There isn't anything to hide. One may safely judge a dress goods store by the way it sells blacks. It is a hard test.

Crepons are in deserved favor. We have a hundred and forty-two front, narrow at the back, or the styles from France—finest is \$6 a yard; a hundred and two styles from reverse; it your temples are England-finest is \$2.75, because the English do not use much silk, -and hollow, or lumpy, haven't you here are twenty-five Crepons of American make-fifteen styles at \$1 and cambrics, lawns, muslins and nainsooks, trimmed with choice emfound it difficult to get a Derby ten styles at 75c. Some exceedingly attractive bargains in this line. For instance: Large blankets of very fine wool on spool cotton warp; 74x82 in., and weighing 7 lbs., at \$8 they were cheap; these absolutely perfect goods at \$6 a pair. White wool blankets, cotton warp, 60x80 in., 4 lbs., at \$1.50, formerly \$1.75, and a larger, heavier kind at \$1.65 that was moderate enough at \$2 a pair.

Tailers as well. Such must naturally favor their own productions—we pick the best of all.

And there are bargains, even in full-standard carpets.

Boys' Overcoats

Boys' clothing is apt to be less good than men's-clothing men think that women do the buying and that women can't tell skimped tailoring from good. That's why New York had such a big welcome for this boys'
